NON-GAAP FINANCIAL MEASURES

This Press Release includes certain financial measures and other terms that are not in accordance with U.S. Generally Accepted Accounting Principles (“GAAP”) that management believes are helpful in understanding the Company’s business. These measures should not be considered as alternatives to, or more meaningful than, net income (calculated in accordance with GAAP) or other GAAP financial measures, as an indicator of financial performance and are not alternatives to, or more meaningful than, cash flow from operating activities (calculated in accordance with GAAP) as a measure of liquidity. Non-GAAP performance measures have limitations as they do not include all items of income and expense that affect operations, and accordingly, should always be considered as supplemental financial results to those calculated in accordance with GAAP. The Company’s computation of these non-GAAP performance measures may differ in certain respects from the methodology utilized by other REITs and, therefore, may not be comparable to similarly titled measures presented by such other REITs. Investors are cautioned that items excluded from these non-GAAP performance measures are relevant to understanding and addressing financial performance. A reconciliation of the Company’s non-GAAP measures to the most directly comparable GAAP financials measures are included herein.

SAME PROPERTY NOI or SPNOI

Information provided on a same property basis includes the results of properties that were owned and operated for the entirety of both periods presented. NOI excludes general and administrative expenses, depreciation and amortization, other income and expense, net, gains (losses) from sales of properties, gains (losses) on extinguishment of debt, interest expense, net, equity in earnings (losses) from unconsolidated entities, lease termination income and expense, and GAAP rent adjustments such as amortization of market lease intangibles, amortization of lease incentives, and straight-line rent adjustments (“GAAP Rent Adjustments”). NOI from other investment properties includes adjustments for the Company’s captive insurance company.

NAREIT FUNDS FROM OPERATIONS (NAREIT FFO) and CORE FFO

The Company’s non-GAAP measure of Nareit Funds from Operations (“Nareit FFO”), based on the National Association of Real Estate Investment Trusts (“Nareit”) definition, is net income (or loss) in accordance with GAAP, excluding gains (or losses) resulting from dispositions of properties, plus depreciation and amortization and impairment charges on depreciable real property. Adjustments for the Company’s unconsolidated joint venture are calculated to reflect the Company’s proportionate share of the joint venture’s Nareit FFO on the same basis. Core Funds From Operations (“Core FFO”) is an additional supplemental non-GAAP financial measure of the Company’s operating performance. In particular, Core FFO provides an additional measure to compare the operating performance of different REITs without having to account for certain remaining amortization assumptions within Nareit FFO and other unique revenue and expense items which some may consider not pertinent to measuring a particular company’s on-going operating performance.

ADJUSTED EBITDA

The Company’s non-GAAP measure of Adjusted EBITDA excludes gains (or losses) resulting from debt extinguishments, straight-line rent adjustments, amortization of above and below market leases and lease inducements, and other unique revenue and expense items which some may consider not pertinent to measuring a particular company’s on-going operating performance. Adjustments for the Company’s unconsolidated joint venture are calculated to reflect the Company’s proportionate share of the joint venture’s Adjusted EBITDA on the same basis.

NET DEBT-TO-ADJUSTED EBITDA

Net Debt-to-Adjusted EBITDA is Net Debt divided by trailing twelve month Adjusted EBITDA.

FORMER JOINT VENTURE

On January 18, 2023, the Company acquired the four remaining retail properties from its unconsolidated joint venture, IAGM Retail Fund I, LLC (“IAGM” or “JV”), a joint venture partnership between the Company and PGGM Private Real Estate Fund (“PGGM”), in which it held a 55% ownership share. In connection with the foregoing, IAGM adopted a liquidation plan on January 11, 2023. On December 15, 2023, IAGM was fully liquidated.
